FedEx Ratesheets

Customer Name: API SERVIZI SRL
Effective Date: 07 January 2025
Created On: 07 January 2025

Net rates are not legally binding. The net rate sheets presented in this rate sheet document are for your convenience only, and are not an agreement or part of an agreement. In the event of a conflict between any net rates / net rate sheets and any actual invoiced amount, the actual invoiced amount shall always prevail.

FedEx reserves the right to change pricing at any time.

Net rates for a country only apply to payor accounts in that country.

Net rates are calculated based on applicable transportation discounts and do not include: surcharges, ancillary / other charges, duties and taxes, or special handling fees.

For services with Earned Discounts, actual net rates may vary due to changes in customer's shipping patterns that affect revenue thresholds used in net rate calculations. Similarly, effect of Bonus Discounts depends upon customers' shipping patterns and automation devices.

If ratesheet currency differs from account billing currency, then net rates will not match billing statement. This rate mismatch will increase or decrease with exchange rates fluctuations.

Please review your agreement for complete details or contact your FedEx Representative, Elvira Cuni phone# +39-(02)-21887032.
